

## *Alma Doepel Refit Fund*

**Would you like to see the once familiar 105 year old Tall Ship *Alma Doepel* sailing again on Port Phillip?**

***You Can Help!***

Our beautiful ship is to be refitted to return to her highly successful Youth Sail Training Program on Port Phillip along with opportunities for everyone to experience sailing on a tall ship during day and weekend sails.

The Alma Doepel Supporters Club has launched the *Alma Doepel Refit Fund* with an initial target of \$100,000 to return *Alma* to the waters of Port Phillip by the end of March 2008 and kick-start her refit to survey.
